SENATE BILL

No. 1027

Introduced by Senator Hill
(Coauthor: Senator Leno)

February 14, 2014

An act to add Title 1.18.27 (commencing with Section 1798.91.1) to Article 12 of Chapter 1 of Part 4 of Division 3 of the Civil Code, relating to personal data.

LEGISLATIVE COUNSEL'S DIGEST

SB 1027, as amended, Hill. Booking photographs: commercial use.

The California Public Records Act requires public records to be open to inspection at all times during the office hours of the state or local agency that retains those records, and provides that every person has a right to inspect any public record, except as provided.

Existing law requires a business to take reasonable steps to protect unintended disclosure of customer information and limits the way personal information on customers can be used and disseminated.

This bill would prohibit a person, *as defined*, who publishes a booking photograph, as defined, via print or electronic means from soliciting or accepting a fee or other consideration to remove, correct, or modify that photograph, as specified. The bill would authorize a ~~person~~ *subject individual, as defined, who is* aggrieved by a violation of these provisions to bring a civil suit to recover the greater of actual damages or a \$1,000 penalty for each violation, as specified.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Title 1.18.27 (commencing with Section 1798.91.1) is added to Article 12 of Chapter 1 of Part 4 of Division 3 of the Civil Code, to read:
